

CITY OF SEATTLE

Metal Fabricator

SALARY: \$34.47 - \$35.33 Hourly
LOCATION: Westbridge Bldg, 4209 W. Marginal Way SW, Seattle, Washington
JOB TYPE: Classified Civil Service, Regular, Full-Time
SHIFT: Day
DEPARTMENT: Seattle Parks and Recreation
BARGAINING UNIT: Boilermakers Union, Local 104
CLOSING DATE 10/24/17 04:00 PM Pacific Time

POSITION DESCRIPTION:

The Seattle Parks and Recreation Facilities Maintenance Division is seeking qualified candidates to fill a current Metal Fabricator vacancy. Our Maintenance Division maintains more than 25 miles of boulevards, manages many facilities, including; 26 [community centers](#), 8 [indoor swimming pools](#), 2 [outdoor \(summer\) swimming pools](#), 4 [environmental education centers](#), 2 [small craft centers](#), 4 [golf courses](#), an outdoor stadium, and much more.

This position performs a variety of fabrication, repair and installation work throughout our park system to provide welcoming and safe opportunities to play, learn, contemplate and build community, and promote responsible stewardship of the land. We promote healthy people, a healthy environment, and strong communities.

JOB RESPONSIBILITIES:

- Fabricate and repair brackets, frames, pump installations, tanks, panels, tools, shafts and other related mechanical equipment.
- Weld material using arc, carbon arc, metallic inert gas, tungsten inert gas and oxygen acetylene processes on a variety of both ferrous and non-ferrous metals.
- Shape, punch, drill and secure metal parts, cages, steel decks, trusses, machinery foundations, brackets, hand and guardrails.
- Work at heights, over water on docks, or in a boat repairing floats and piers.
- Prepare preliminary cost estimates of material and labor for specific tasks.
- Interpret drawings and specifications to lay out work, mark dimensions, angles and cutouts on metal plates and pipe.
- Design lay outs and fabrications for a variety of sheet metal ducts, guards, gates, doors and flashings for items such as heating/ventilation/air conditioning systems, machinery, cages, buildings and roofs.
- Coordinate work activities with other skilled trade shops.
- Perform other related duties of a comparable level/type as assigned.

QUALIFICATIONS:

Requires a journey-level status in structural iron, sheet metal or metal fabrication, lay outs, repair, welding or burning or four years as a metal trades helper under a metal trades journey worker (or a combination of education and/or apprentice training and/or experience which provides an equivalent background required to perform the work).

ADDITIONAL INFORMATION:

Work Environment/Physical Demands:

- Standing, walking or bending for extended periods of time
- Lifting of objects weighing 50 pounds
- Work in/or around cramped spaces

License, Certification and Other Requirements:

- Current Washington State driver's license. A current, "complete" driving abstract from the Department of Licensing submitted with your application by the closing date for consideration in this process.

Desired Qualifications:

- Strong written and verbal communication skills.
- Proficient in software applications including Microsoft Outlook, Word and Excel.
- Ability to accomplish work as part of a team in a diverse environment.
- High level of initiative, effort and commitment towards completing assignments efficiently under minimal supervision.
- Demonstrated responsible behavior and attention to detail, and ability to take the necessary precautions to complete assignments safely.
- Good mechanical skills and basic computer knowledge.
- WABO certified welder or ability to become WABO certified within six months of hire.
- Washington State Boaters Card.

Job offers are contingent on the verification of credentials and other information required by the employment process including the completion of a driving history review.
